

VACANCY - Manufacturing Apprentice

Motordrive Limited

Leyland, Preston

Salary: min £4.30 to £6.15 per hour with opportunity to progress

Full time

Monday to Friday, minimum 30 hours per week

Company Overview:

Motordrive manufactures and upholsters seats for competition motorsport. We are a small friendly business where everyone is encouraged to be part of the team and take pride in their work. The business is award winning and has exciting expansion plans which include servicing contracts with premium motorsport customers internationally.

A determination to provide quality products and service are fundamental to the ethos of Motordrive and every member of the team must demonstrate their commitment to delivering the very best.

We hope that an apprentice joining the business will be able to enjoy a longterm role with Motordrive and find opportunities to develop within the team as it grows.

About the Role:

Due to continued growth of the business we need to recruit a new apprentice to join our team. The apprenticeship programme will run for a minimum 12 months with in-house training, alongside support from the affiliated apprenticeship training body, to achieve a Lean Manufacturing Operative Level 2 qualification.

Upon completion of the apprenticeship you may be given the opportunity to continue working on a permanent contract and develop your career within the business.

Main Responsibilities:

You will be working in a manufacturing environment, using small tools, templates and adhesives. The core role will be to mount, pad and cover motorsport seats. Tasks will include:

- drill and mount seat shells
- pad seats with foam according to customer requirements
- clean and polish seats
- cover seats
- quality inspection
- cutting out fabric using pattern templates
- packing goods ready for shipping

- cleaning and maintaining work areas and machinery
- support to composite manufacturing of shells

To apply for this role, you will need to be:

- reliable
- trustworthy
- hard working and willing to learn
- a team player with a positive attitude
- have a keen eye for detail and quality
- be a good listener
- be a resilient learner
- practical and able to undertake manual tasks with precision
- able to work independently

We welcome applicants of all ages for this apprenticeship and have an equal opportunities recruitment policy.

If you feel you have the necessary skills to be successful in this role, please send a copy of your CV to Julie Meadows.

Benefits:

- Opportunity for ongoing employment with a growing company
